ON-LINE CIM TRADEX MINING DIRECTORY

Exhibitors are requested to check their company's listing and products / services classification in the Mining Directory on the CIM Tradex website at www.tradex.cim.org

PROFILE AND CLASSIFICATIONS

Have you sent in your show profile material for the CIM Tradex Virtual Trade Show as requested on the CIM Tradex Booth Confirmation form?

CIM TRADEX VIRTUAL TRADE SHOW ON INTERNET

The CIM Tradex Edmonton 2004 Virtual Trade Show will stay on-line until November 30, 2004. A display description abstract must be submitted on diskette with a hard copy attached or by e-mail (harry@malopan.com). Indicate the following type of listing:

- Profile Listing on Internet (listing, 250-500 word products/services description, 1 logo, 1 picture) Free
Repeat our 2002 profile listing as is Free
Link to our corporate Home Page (with e-mail link) \$120
Showcase listing selected (profile, 3 more photos, and additional 500-word text) \$250

PRODUCTS & SERVICES CLASSIFICATIONS FOR SHOW GUIDE & WEB SITE

Your company's name will appear twice in the Show Guide: in an Alpha List, and also under a Products/Services classification. In the Products and Services classification select five (5) reference numbers which best describe your company operations (for 5 possible listings), and prepare a summary of 10 words for the Alpha List:

Alpha List : 10-word company description:

Products/Services Listing. No.: 1. 2. 3. 4. 5.

If your company needs a separate classification (which is not yet listed in the above categories), please specify:

In addition, the name of your company will be inscribed in the virtual Mining Directory section of the CIM Tradex website under the selected Products and Services Classification.

KNOW THE FACTS - LISTING ERRORS AND OMISSIONS

CIM Tradex management shall not be responsible for errors or omissions in your profile listing whether it be on Internet, in the Show Guide, or the CIM Reporter.

PRODUCTS/SERVICES CLASSIFICATION

Auxiliary Products & Supplies

Air and Hydraulic Components - G7

- Air / Hydraulic Controls and Valves - G7.7
- Air / Hydraulic Cylinders - G7.8
- Air Hoses - G7.1
- Air Receivers - G7.11
- Compressed Air Motors - G7.9
- Fittings and Seals - G7.2
- Gaskets / Sealers - G7.12
- High Pressure Hydraulic - G7.3
- Hydraulic Motors and Pumps - G7.6
- Hydraulic Repair Services - G7.10
- Mine Hoses - G7.4
- Plastic Hoses - G7.5

Auxiliary Products for Metal Process - G16

- Knitted wire Mesh - G16.1
- Stainless Steel Fibres - G16.2
- Studs & Accessories - G16.3

Communications - G1

- Communication Systems & Equipment - G1.1
- Mining Telecommunications - G1.2

Computer & Data Acquisition Systems - G3

- Computer / Application Programs and Services - G3.1
- Computer / Hardware and Supplies - G3.2
- Data Acquisition & Archiving Software - G3.5
- Metallurgy Computer Software - G3.4
- Mining / Processing Software - G3.3

Control Devices and Instruments - G2

- Alarm Systems - G2.1
- Blast Vibration Recorders - G2.2
- Contamination - G2.3
- Conveyor Controls - G2.4
- Detectors & Video Detectors - G2.5
- Dust Control Systems / Instruments - G2.35
- Electric Controls and Panels - G2.6
- Electrohydraulic Control Devices - G2.30
- Electronic Control Panels - G2.7
- Electronic Equipment & Supplies - G2.32
- Electro-Sensors - G2.28
- Environmental Control Equipment - G2.8
- Fire Prevention Devices - G2.9
- Fume & Dust Collectors - G2.10
- Global Positioning Systems Instruments (GPS) - G2.31
- Industrial Safety Devices - G2.11
- Intelligent Automation Controls - G2.12
- Laser-based Systems / Instruments - G2.13
- Level Indicators - G2.14
- Magnetic Amplifiers & Recorders - G2.34
- Material Testing Measuring Devices - G2.15
- Metallurgical Measuring Devices - G2.16
- Meters - G2.33
- Plant Instrumentation - G2.17
- Pollution Control - G2.18
- Process Control Instruments - G2.19
- Production Monitoring Devices - G2.20
- Rolling Mills Measuring Devices - G2.21
- Scales and Weights - G2.22
- Surge Protection Controls - G2.29
- Surveying & Geophysical Instruments - G2.23
- Thermal Process Instruments - G2.24
- Vehicle Brake Systems - G2.25
- Water / Fluid / Monitoring Equipment - G2.26
- Wireless Monitoring and Control Systems - G2.27

Electrical Equipment - G4

- Batteries and Chargers - G4.1
- Capacitors - G4.16
- Circuit Breakers & Relays - G4.2
- Electric Cables & Wires - G4.4
- Electric Motors - G4.5
- Electric Power Lines - G4.6
- Electric Power Transmission Equipment - G4.7
- Electrical Switches - G4.3
- Generators / Alternators / Starters - G4.8
- Junction Boxes - G4.15
- Lighting Systems & Equipment - G4.9
- Lightning Arrestors - G4.10
- Stand-by Generators - G4.11
- Transformers - G4.12
- Transportable Substations and Switchrooms - G4.13
- Turbines - G4.14

Environmental Control - G5

- Geotextiles / Geomembranes - G5.1
- Landscape Planning and Restoration - G5.2
- Reclaiming and Recycling Equipment - G5.3

Fasteners Specialities - G15

- Anchor Bolts - G15.2
- High Tension Bolts - G15.3
- Regular Bolts / Nuts - G15.1

Heating, Ventilation, Air Conditioning - G6

- Air Conditioning Systems and Equipment - G6.1
- Exhaust Systems and Equipment - G6.2
- Heating Systems and Equipment - G6.3
- Industrial Ducting - G6.4
- Ventilation Systems & Equipment - G6.5

Lifting Devices - G8

- Cables and Reels - G8.1
- Chains - G8.2
- Slings - G8.4
- Winches - G8.5
- Wire / Ropes - G8.3

Lubrication - G9

- Lubricants - G9.1
- Lubricating Systems & Equipment - G9.2

Remote Control - G10

- Remote Control Equipment - G10.1
- Remote Sensing Equipment - G10.2

Scales and Weights - G14

- Continuous Scales - G14.1
- Electronic Scales - G14.2
- Platform Scales - G14.3
- Truck Scales - G14.4

Tires / Rims / Chains / Rubber Products - G11

- Conveyor Belting - G11.1
- Rims and Wheels - G11.5
- Rubber Specialities - G11.2
- Tire Recapping & Repair - G11.3
- Tires / Rims / Chains - G11.4

Tools - G12

- Electrical Power Tools - G12.1
- Foundry Tools - G12.6
- Hydraulic Tools - G12.2
- Magnetic Lifting Tools - G12.3
- Miners' and Mechanics' Tools - G12.4
- Pneumatic Tools - G12.5

Welding & Cutting - G13

- Flame Cutting Insulations and Accessories - G13.5
- Gases - G13.1
- Geomembrane Welding - G13.2
- Plastic Welding Tools - G13.3
- Welding Equipment and Supplies - G13.4

Distribution Facilities & Equipment

Material Handling - F1

- Bulk Port Handling Equipment - F1.1
- Bulk Powder Handling Equipment - F1.2
- Bulk Solids Handling Equipment - F1.3
- Chutes / Gates / Bins / Hoppers - F1.4
- Coal Handling Equipment - F1.5
- Conveyors, Components & Accessories - F1.6
- Cranes & Accessories - F1.7
- Hoist and Hoisting Equipment - F1.8
- Loading & Unloading Equipment - F1.9
- Material Strapping Systems - F1.14
- Monitoring and Dispatching Systems - F1.10
- Silos / Tanks - F1.11
- Storage Structures / Containers - F1.12
- Stowing Machines - F1.13

Transportation Facilities & Equipment - F2

- Aircrafts / Helicopters / Personnel Carriers - F2.1
- Bulk Shipping Equipment - F2.2
- Fuels & Fuel Additives - F2.6
- Railroad Cars / Locomotives - F2.3
- Shipping and Shipping Services - F2.7
- Tracks, Frogs, Switches, Turnouts, Ties - F2.8
- Tractor Trailers / Accessories - F2.4
- Trucks / Accessories - F2.5

Exploration Works

Exploration Equipment - B1

- Borehole Logging Equipment - B1.1
- Geological Equipment & Supplies - B1.5
- Geophysical Equipment - B1.2
- Probe Drilling Equipment - B1.3
- Surveying Equipment - B1.4

Exploration Services - B2

- Aerial Geophysical Surveys - B2.1
- Dynamic Simulation & Modelling - B2.2
- Environmental Services - B2.10
- Geographical Information Services (GIS) - B2.3
- Geophysical Borehole Logging Services - B2.4
- Geotechnical Testings - B2.5
- Global Positioning Services (GPS) - B2.6
- Ore Reserves Evaluation - B2.7
- Soil and Rock Stabilization - B2.8
- Teleseismic and Seismic Surveys - B2.9

PRODUCTS/SERVICES CLASSIFICATION

Foundries / Smelters / Refineries

Metallurgical Process - E1

- Casting Equipment for Iron / Steel - E1.17
- Casting Equipment for Non-ferrous Metals - E1.18
- Casting Machines and Accessories - E1.19
- Cooling and Recooling Equipment - E1.20
- Heat Treatment and Drying Systems - E1.1
- Industrial Furnaces & Components - E1.2
- Iron Making Equipment - E1.3
- Kilns, Dryers and Components - E1.4
- Metal Refinery Systems - E1.5
- Metallic Furnace Charge Materials - E1.6
- Metallurgical Rolling Mills - E1.7
- Mounding Materials & Core Making - E1.22
- Non-ferrous Metals Production Systems - E1.8
- Patterns and Die Making - E1.9
- Pilot Plant Mechanization - E1.10
- Precious Metals Recovery and Refining - E1.11
- Prime and Raw Materials Processing - E1.12
- Purification Systems - E1.13
- Refractory and Insulating Materials - E1.21
- Shaping Mills of Non-ferrous Metals - E1.14
- Steel Making Equipment - E1.15
- Steel Shaping Mills - E1.16

Metallurgical Process Automation - E2

- Automation / Robotics - E2.1
- Foundry Mechanization - E2.2
- Smelting & Refining Mechanization - E2.3
